

Mes petits
ateliers de
pâte à modeler

Remplis les ronds

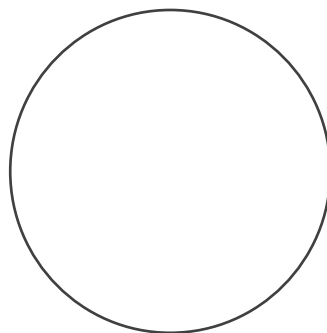

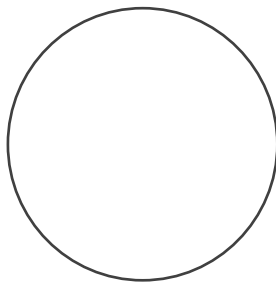

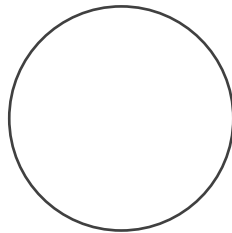

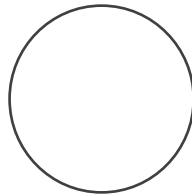

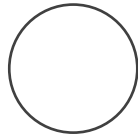

Remplis les triangles

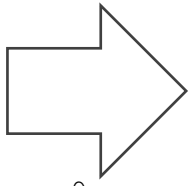

Apprentissage des formes

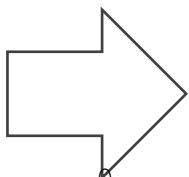

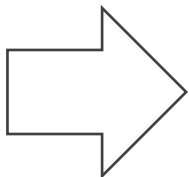

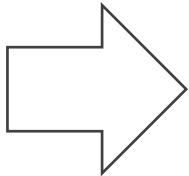

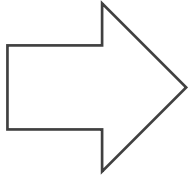

Remplis les ronds
du plus petit au
plus grand

Construis 5 boudins
de pâte à modeler de
tailles différentes et
classe-les du plus
long au plus court

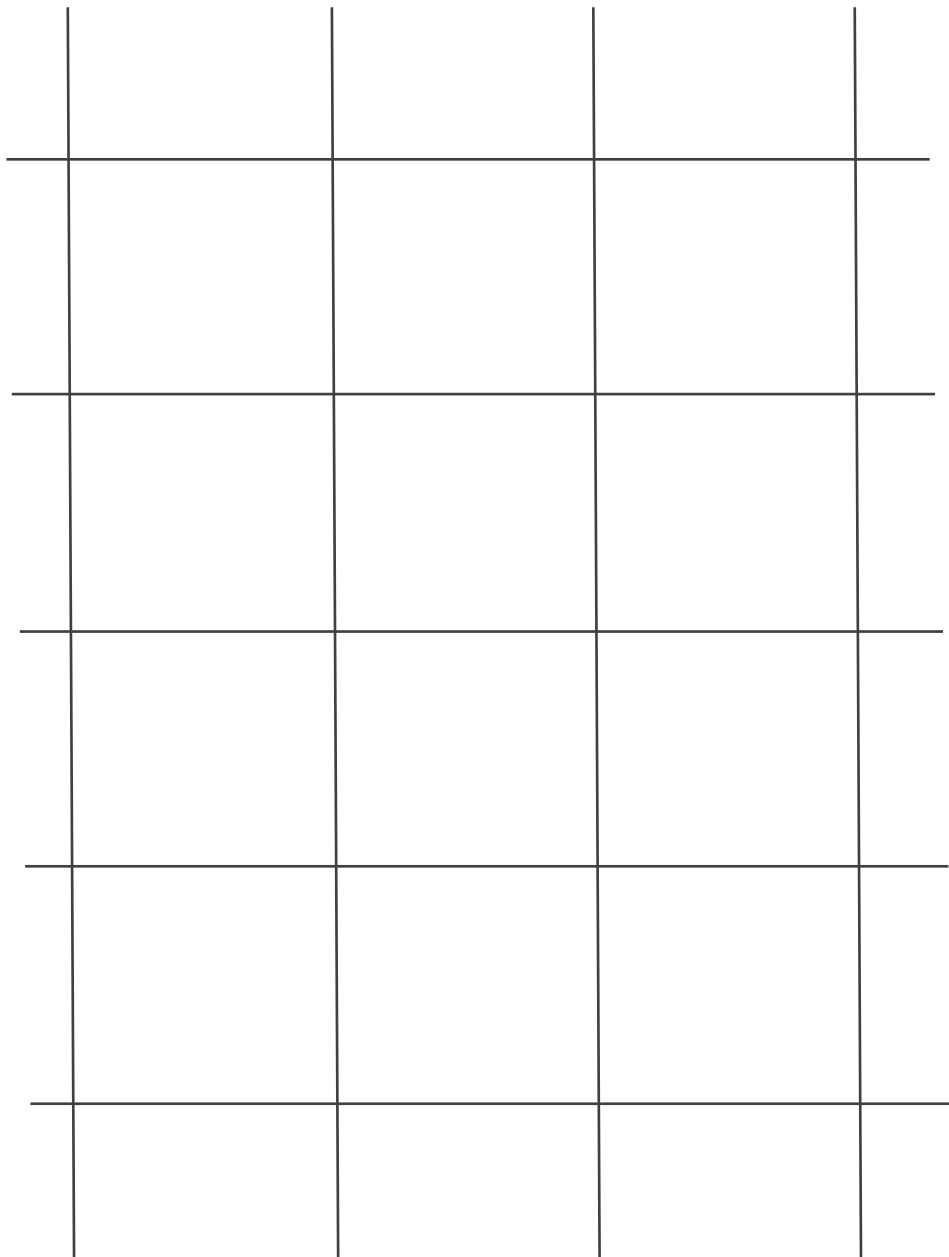

Le plus
grand

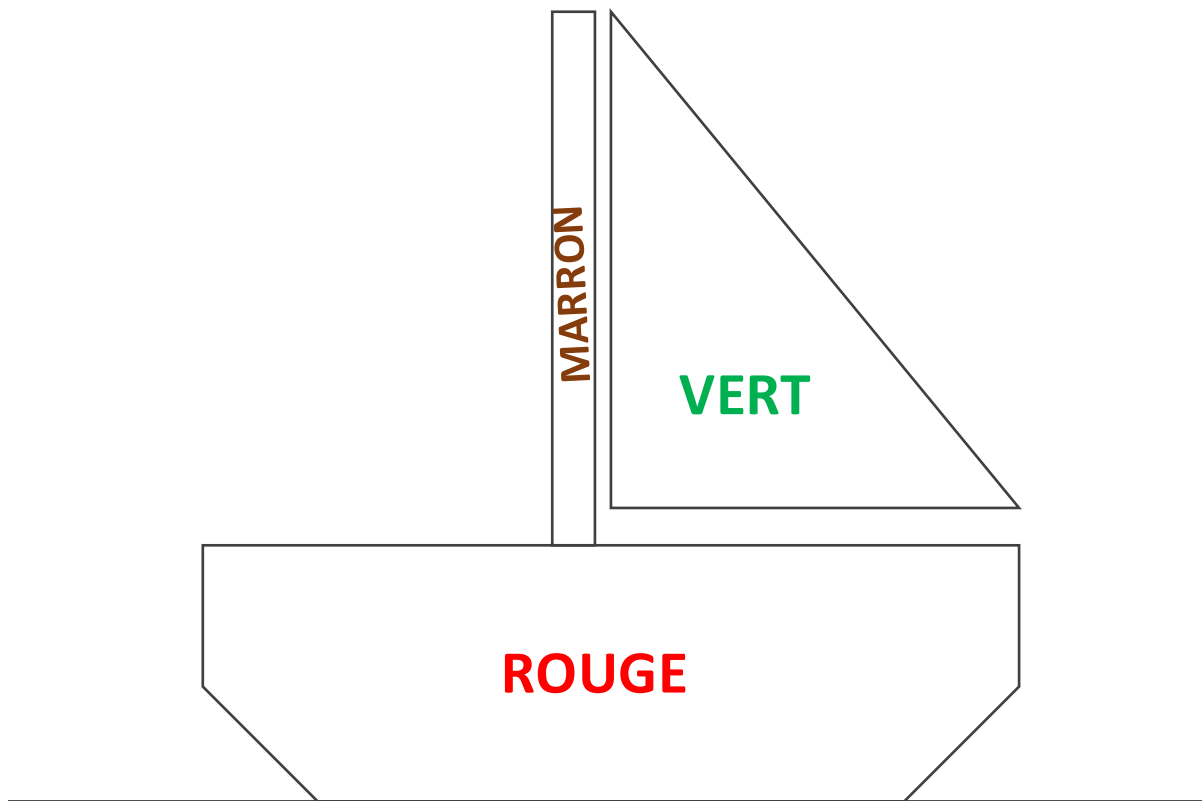

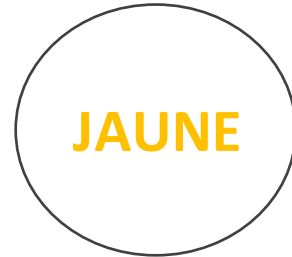

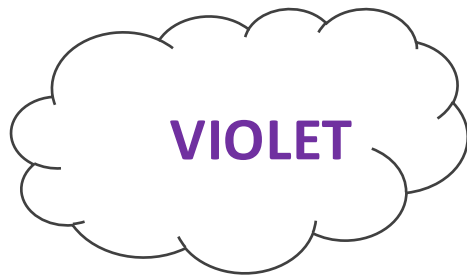

Le plus
petit

Trace le grillage avec
des boudins de pâte
à modeler

Rempli le dessin
avec les bonnes
couleurs

BLEU

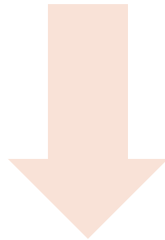

Fabrique des boudins
de très fins à très
épais

Rajoute le bon
nombre de boules de
glace

Fabrique un boudin
et coupe le en 4
morceaux égaux avec
un couteau à bout
rond ou une paire de
ciseaux

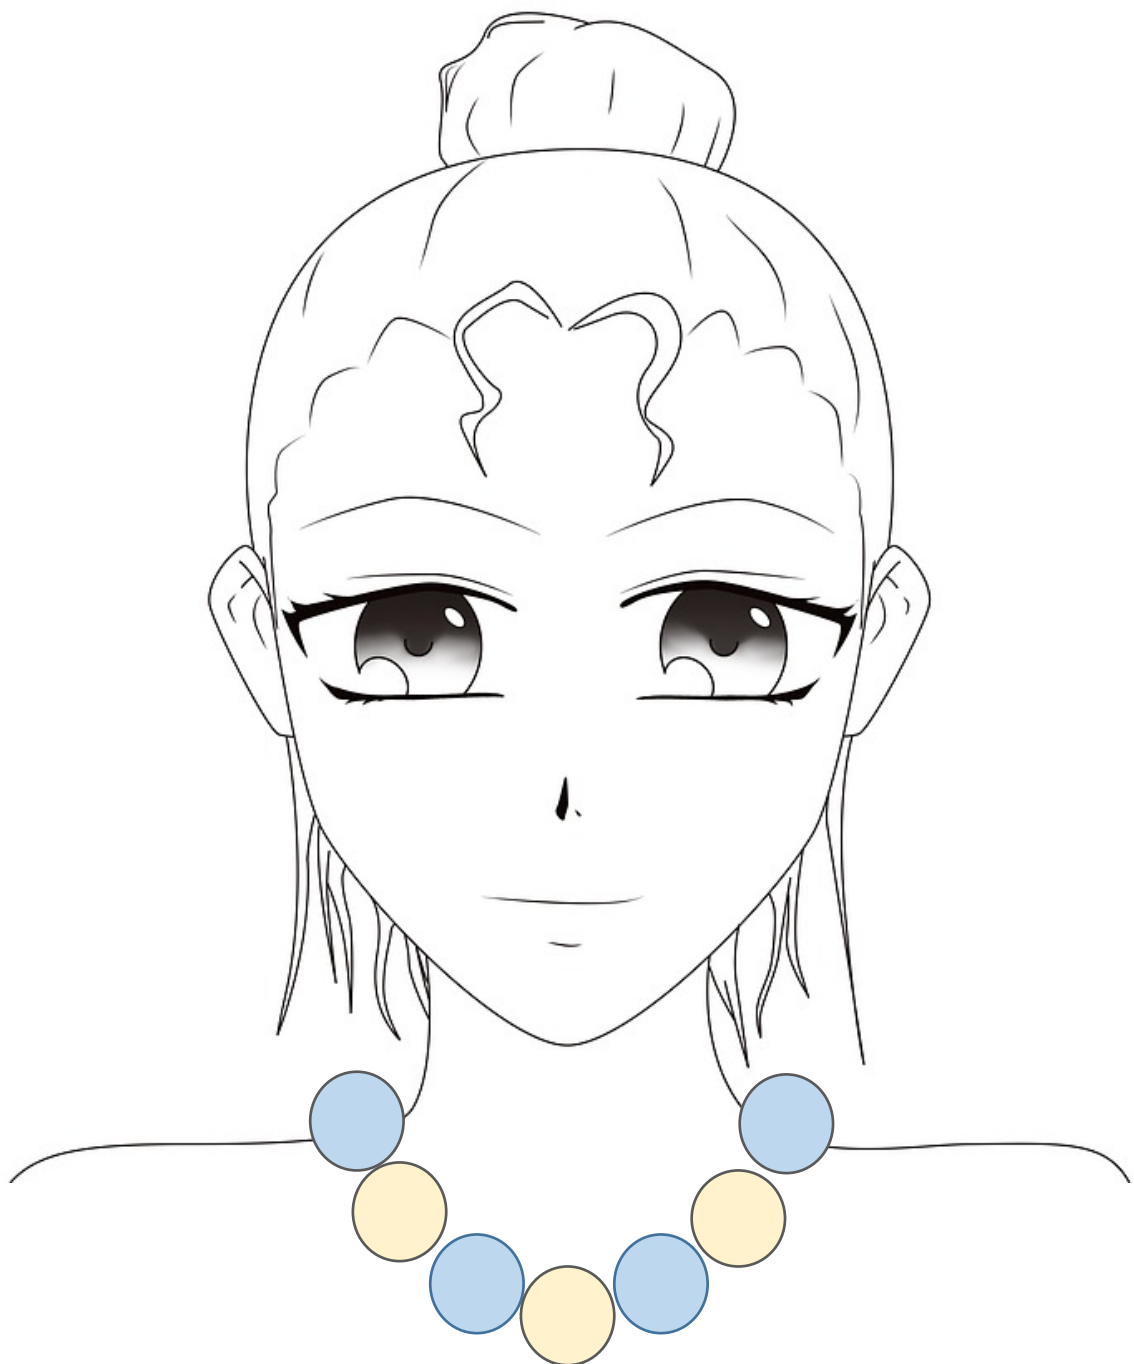

Dénombrement, motricité fine, apprentissage des mesures

Fabrique 5 pommes
rouges et, place-les
sur l'arbre

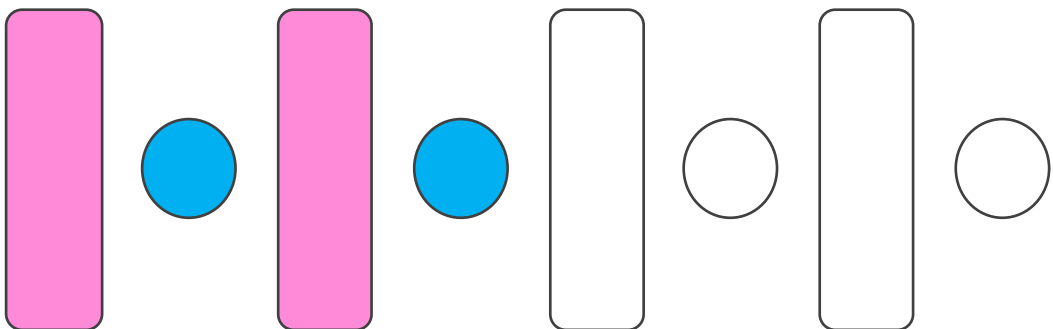

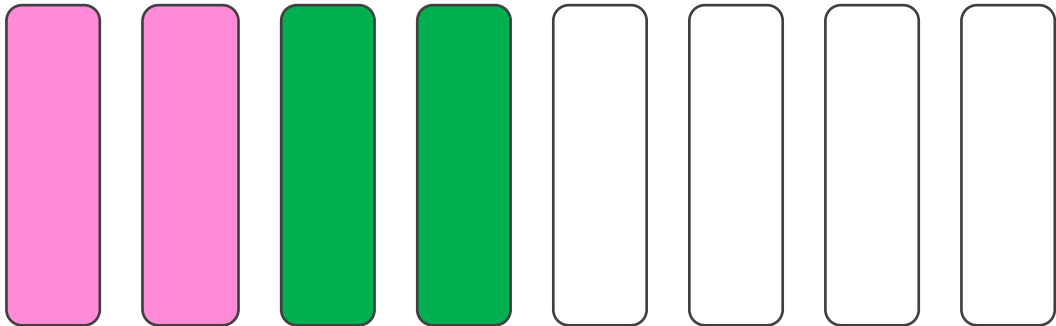

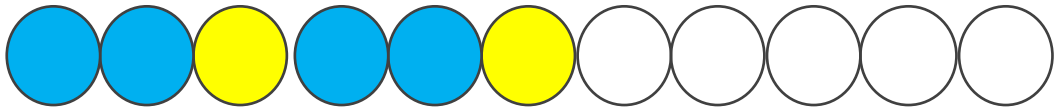

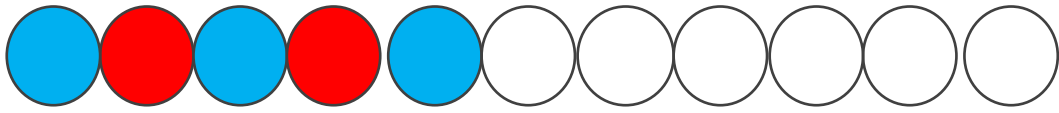

Écris ton prénom en
pâte à modeler (ton
papa ou ta maman
peut te montrer un
modèle si tu ne sais
pas encore l'écrire!)

Fabrique un collier
en perle en
respectant le modèle

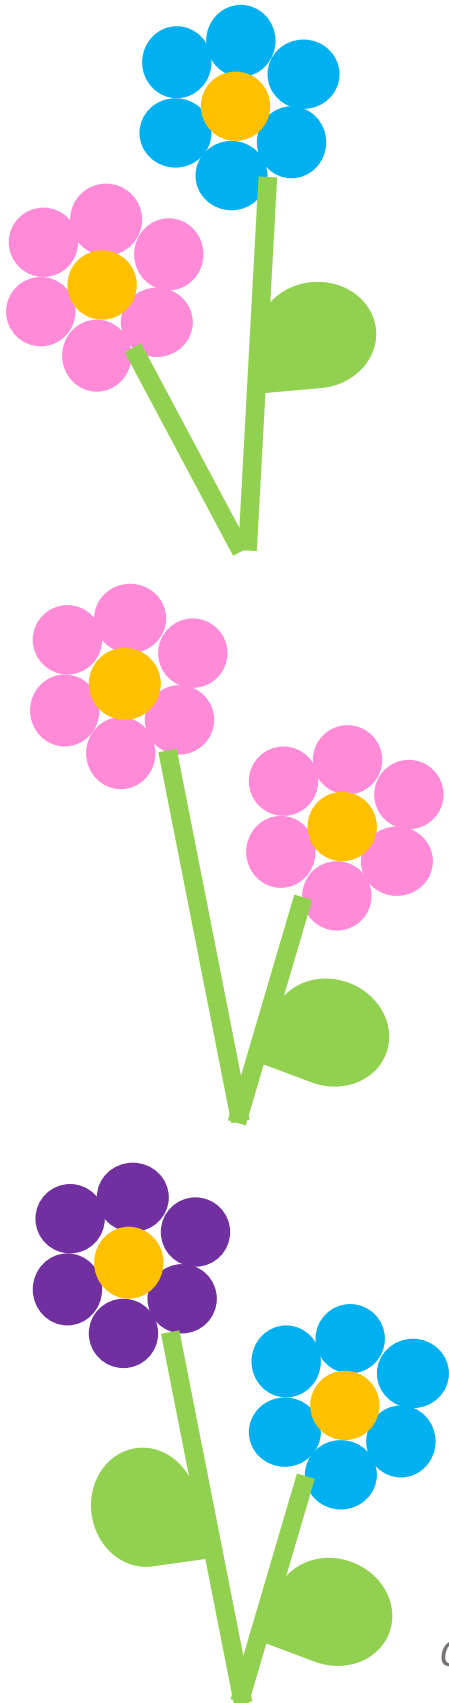

Observation, apprentissage des couleurs

Complète les suites

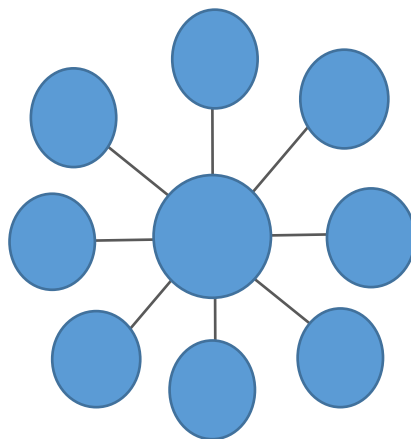

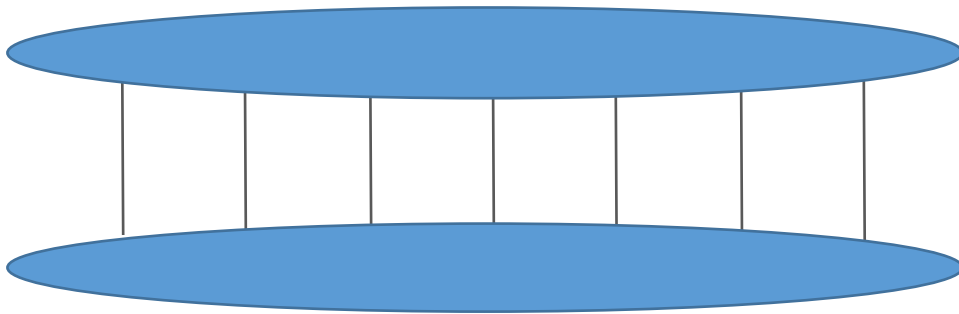

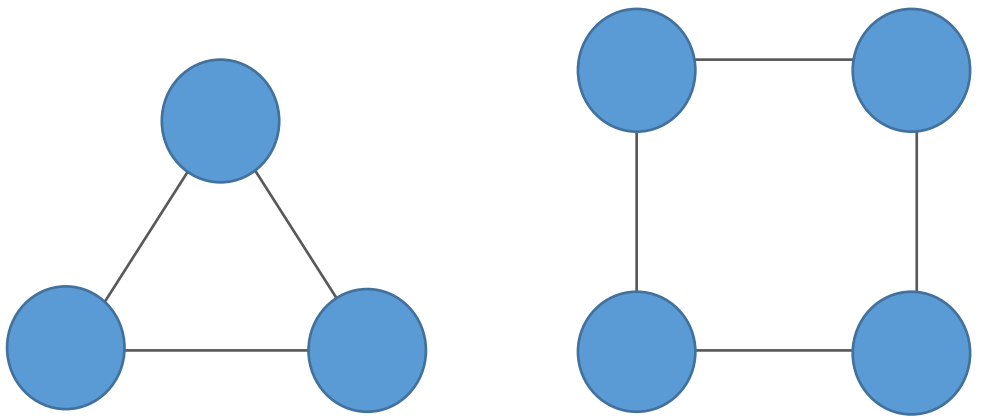

Reproduis les
différents bouquets
de fleurs

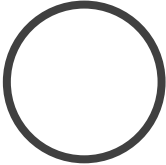

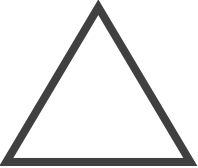

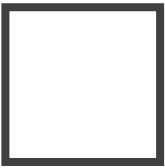

Observation, apprentissage des couleurs

Reproduis ces formes
avec de la pâte à
modeler et des cure-
dents (sous la
surveillance d'un
adulte)

Remplis le tableau
avec les bonnes
formes et les bonnes
couleurs

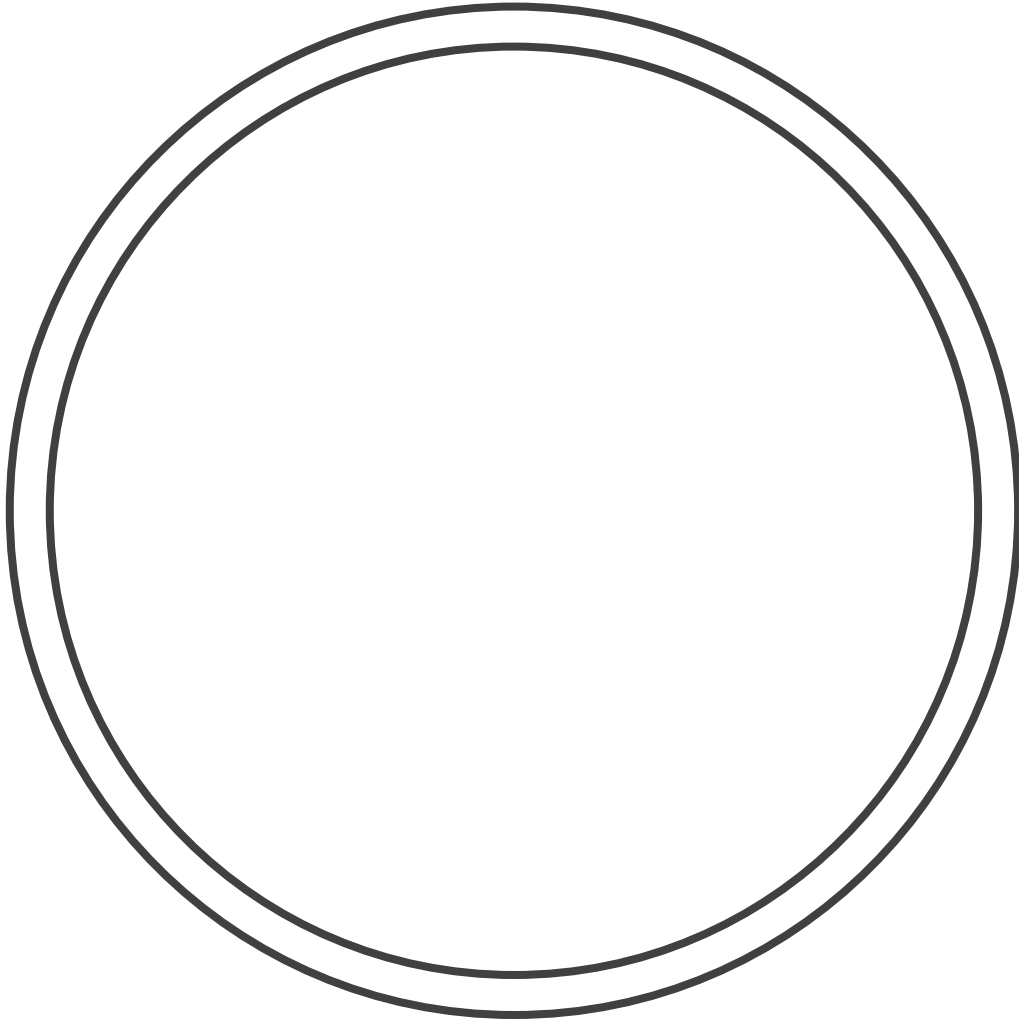

BONUS : les
ateliers
créativité

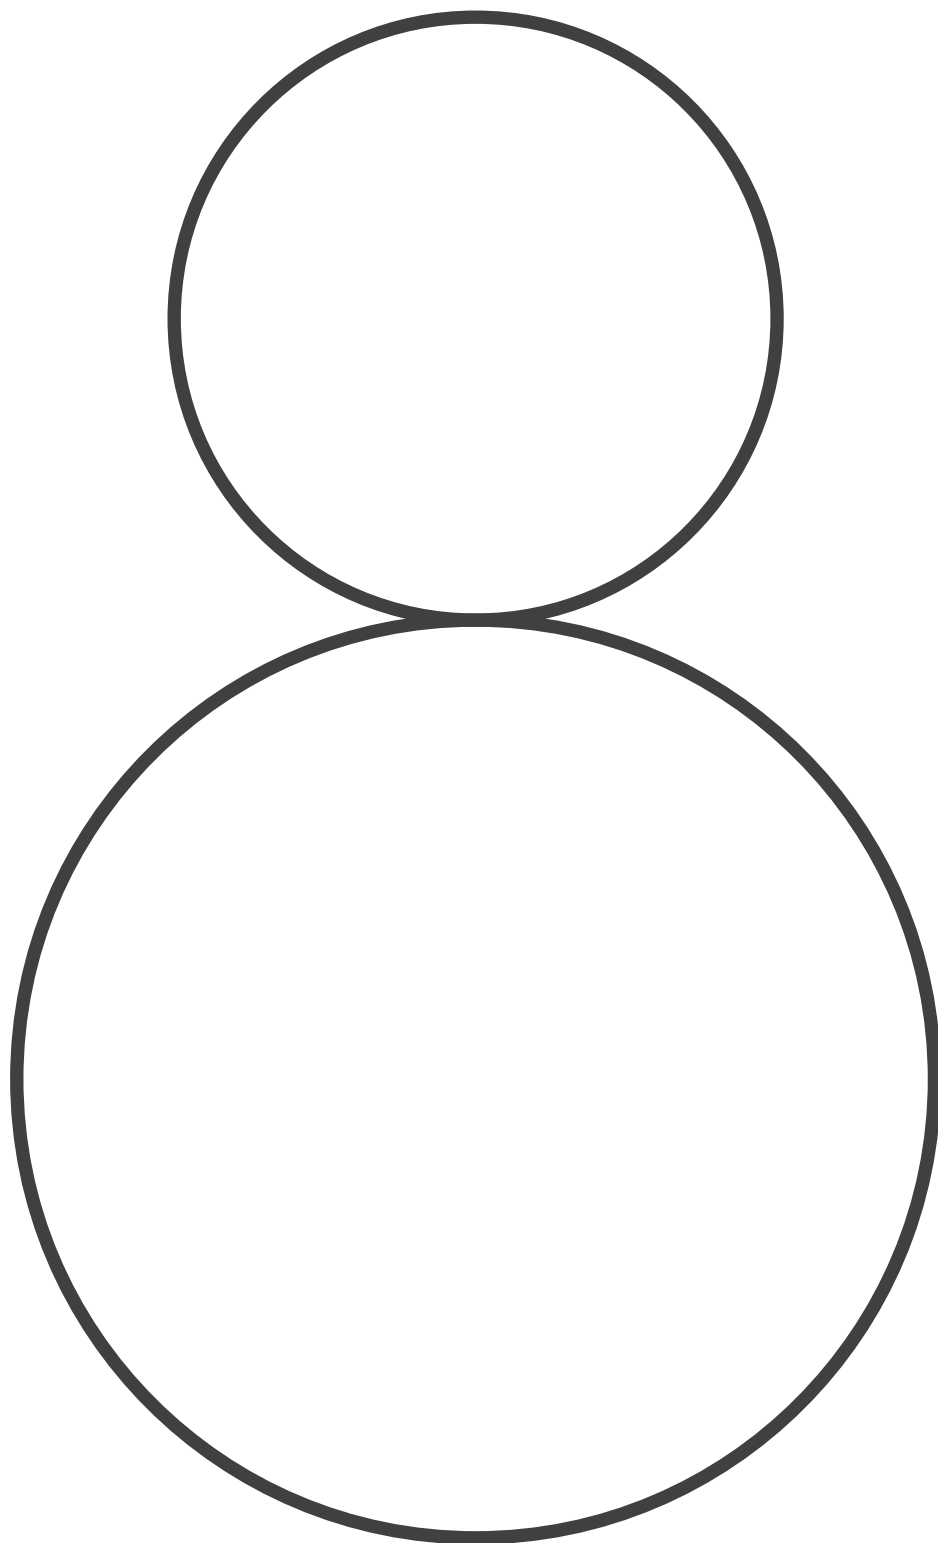

Le sapin

La pizza

Le bonhomme de neige

Le visage
